

Resolution for the Restart of SENER Terms

Mexico City, February 28, 2023

On February 17, 2023, the Ministry of Energy (Secretaría de Energía, "SENER") published in the Federal Official Gazette (Diario Oficial de la Federación, "DOF"), the "Resolution that resumes the terms and deadlines for the Ministry of Energy (Acuerdo por el que se reanudan plazos y términos legales en la Secretaría de Energía, the "Resolution").

According to its First Transitory Article, the Resolution will become effective on March 1, 2023.

The Resolution intends to resume and restart the legal terms and deadlines of all filings, proceedings, and any other actions before SENER and its decentralized bodies (órganos desconcentrados) (the National Commission for Nuclear Safety and Safeguards (Comisión Nacional de Seguridad Nuclear y Salvaguardias) and the National Commission for the Efficient Use of Energy (Comisión Nacional para el Uso Eficiente de la Energía)), which were suspended due to the COVID-19 sanitary emergency since March 25, 2020 by virtue of the "Resolution of Suspension of Deadlines"¹.

Pursuant to the Resolution, the actions, notices, requirements, requests, and filings presented before SENER and its decentralized bodies during the period in which the terms were suspended, shall be handled pursuant to their order of priority, starting at the date in which the Resolution comes into effect, in the understanding that priority shall be given to the filings presented before the date in which the Resolution was published in the DOF.

The terms for the ruling of the proceedings associated with Social Impact Assessments (Evaluaciones de Impacto Social) received as of April 12, 2021, through the counter (ventanilla) of the General Bureau of Social Impact and Superficial Occupation (Dirección General de Impacto Social y Ocupación Superficial) of SENER, shall be counted considering the chronological order of presentation, starting as of March 2nd, 2023.

¹ "Acuerdo por el que se establece la suspensión de plazos y términos legales en la Secretaría de Energía, como medida de prevención y combate a la propagación del Coronavirus COVID-19", published in the DOF on March 25, 2020, and its amendments published on April 17 and 30, 2020, and May 29, 2020.
